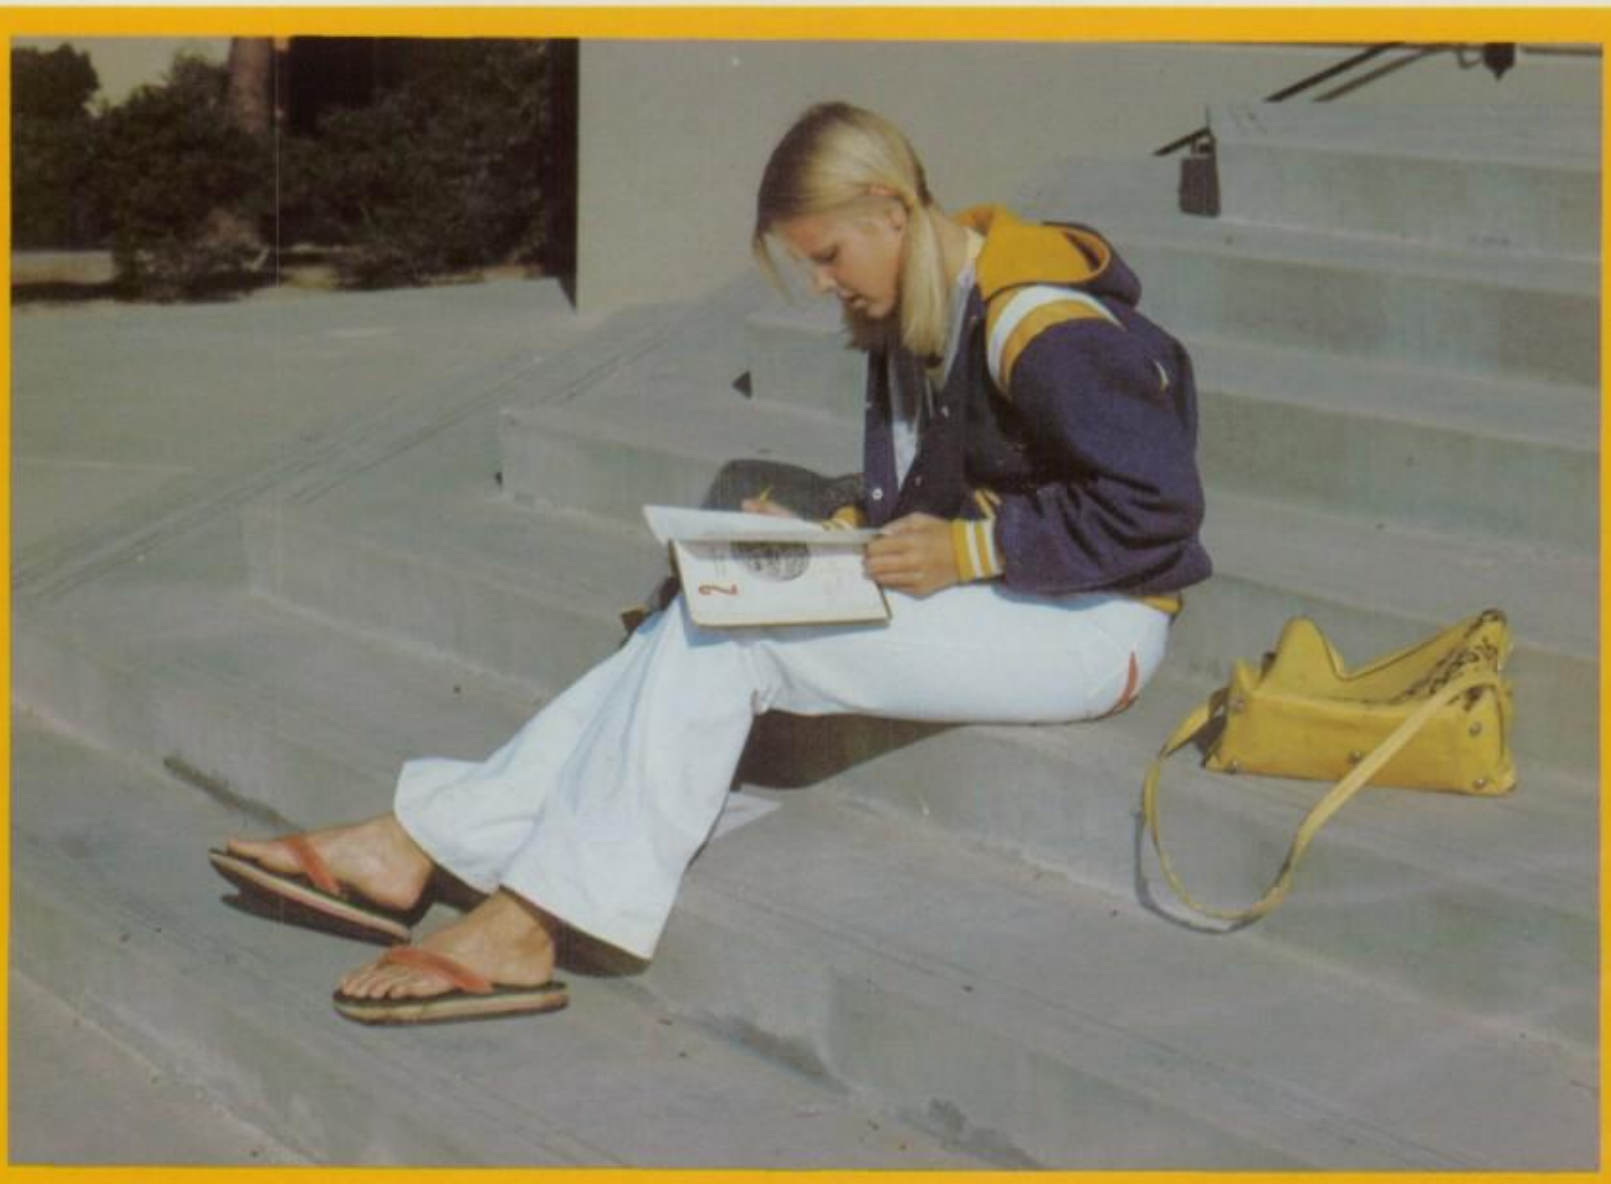
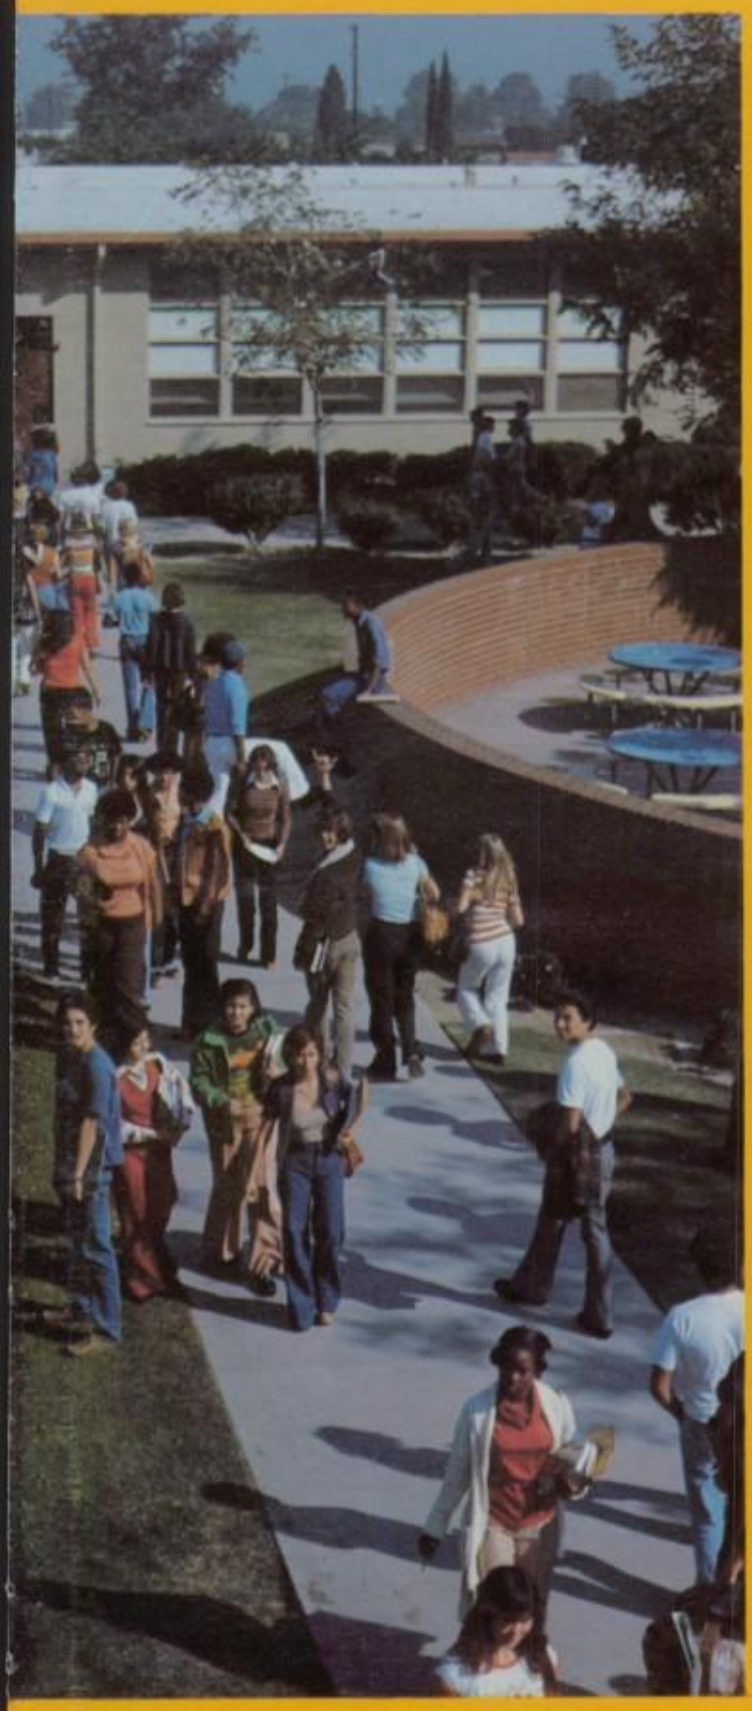
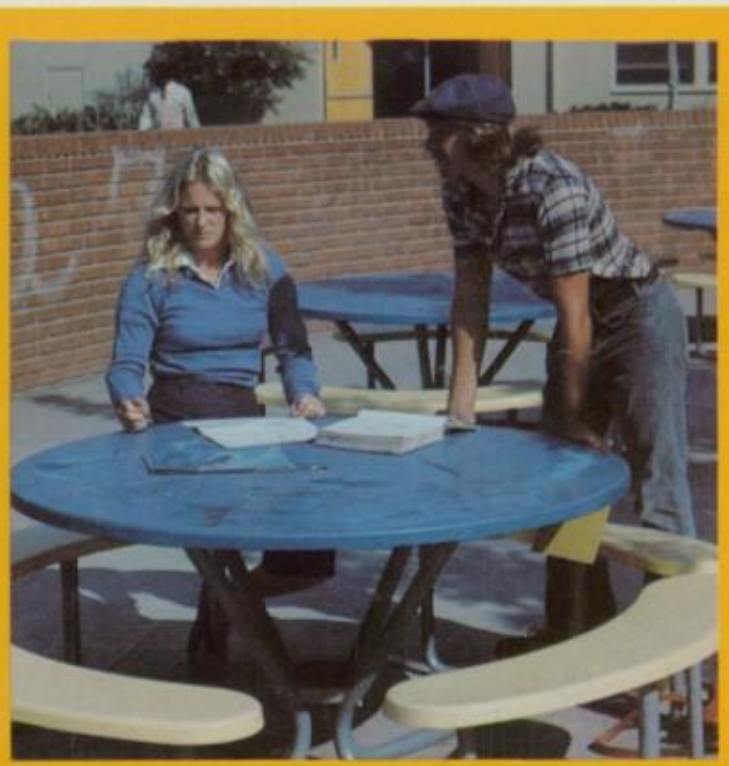
All That Is Left Is Memories

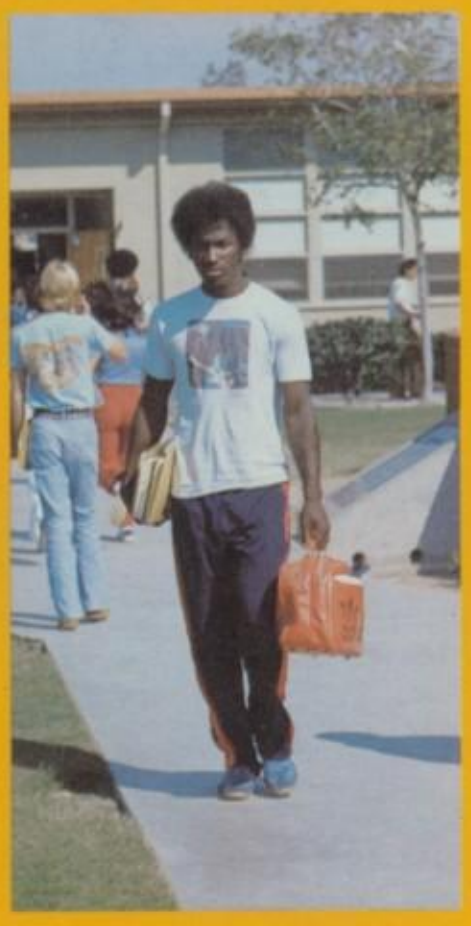


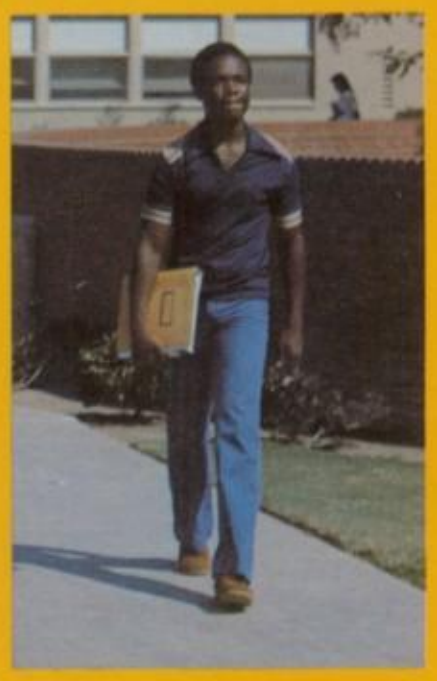
MEMORIES

We often try to preserve those things that mean so much to us. It seems as though the good things in life last for such a short while. We can remember and relive those times through memory, and we will carry these memories for the rest of our lives.









Education Made The Difference

STUDIES-We worked hard to excel in the academic areas. Trying to squeeze in the required subjects in order to receive credits towards graduation was difficult but necessary. Many displayed their creative abilities in music, art, ceramics and athletics. Some of us had interest in other areas. We did what was asked of us, and we enriched our lives through our studies.

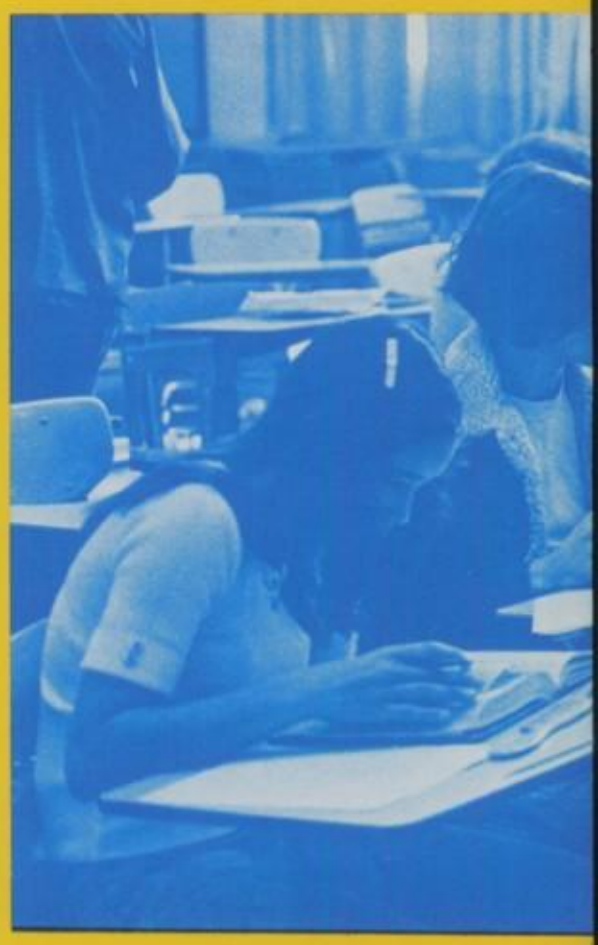
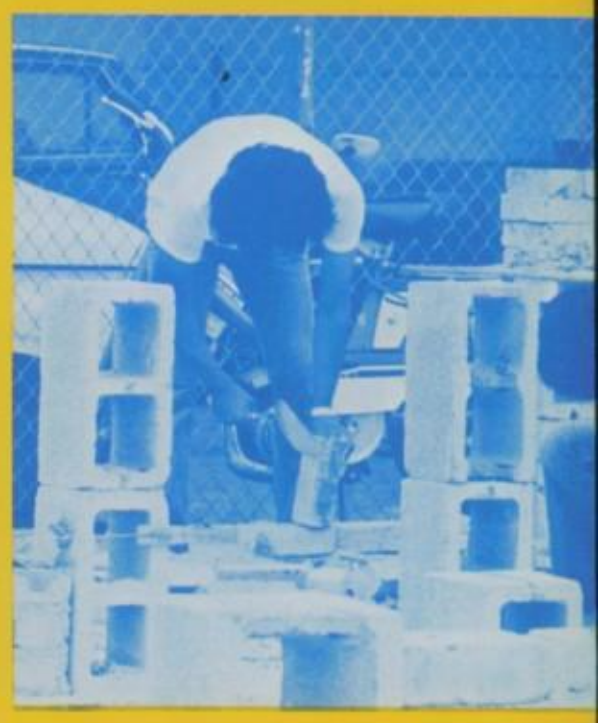
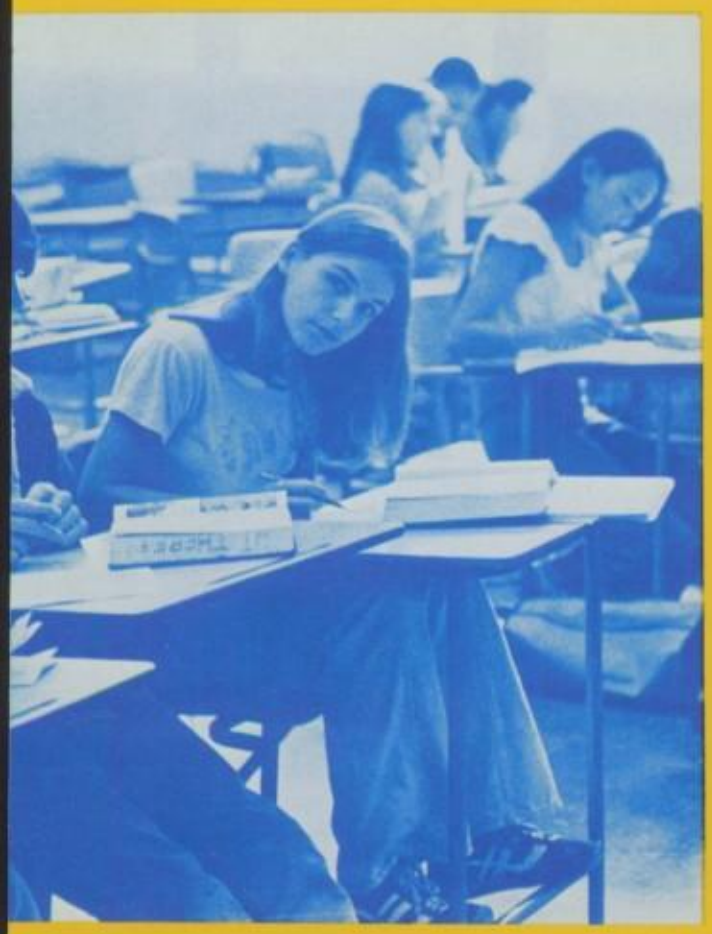
Involvement Stimulated Activity





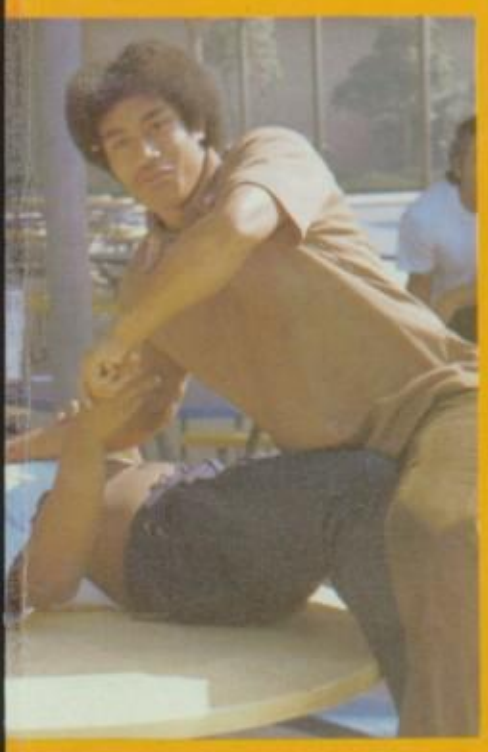
INVOLVEMENT-Being active and participating in classes and school events were probably the most fun times of the year. Toilet papering the school, dressing up for Spirit Week, and being creative were ways that the students showed their involvement. Pep rallies, athletic events, and rec-nites also helped to stimulate student interest.



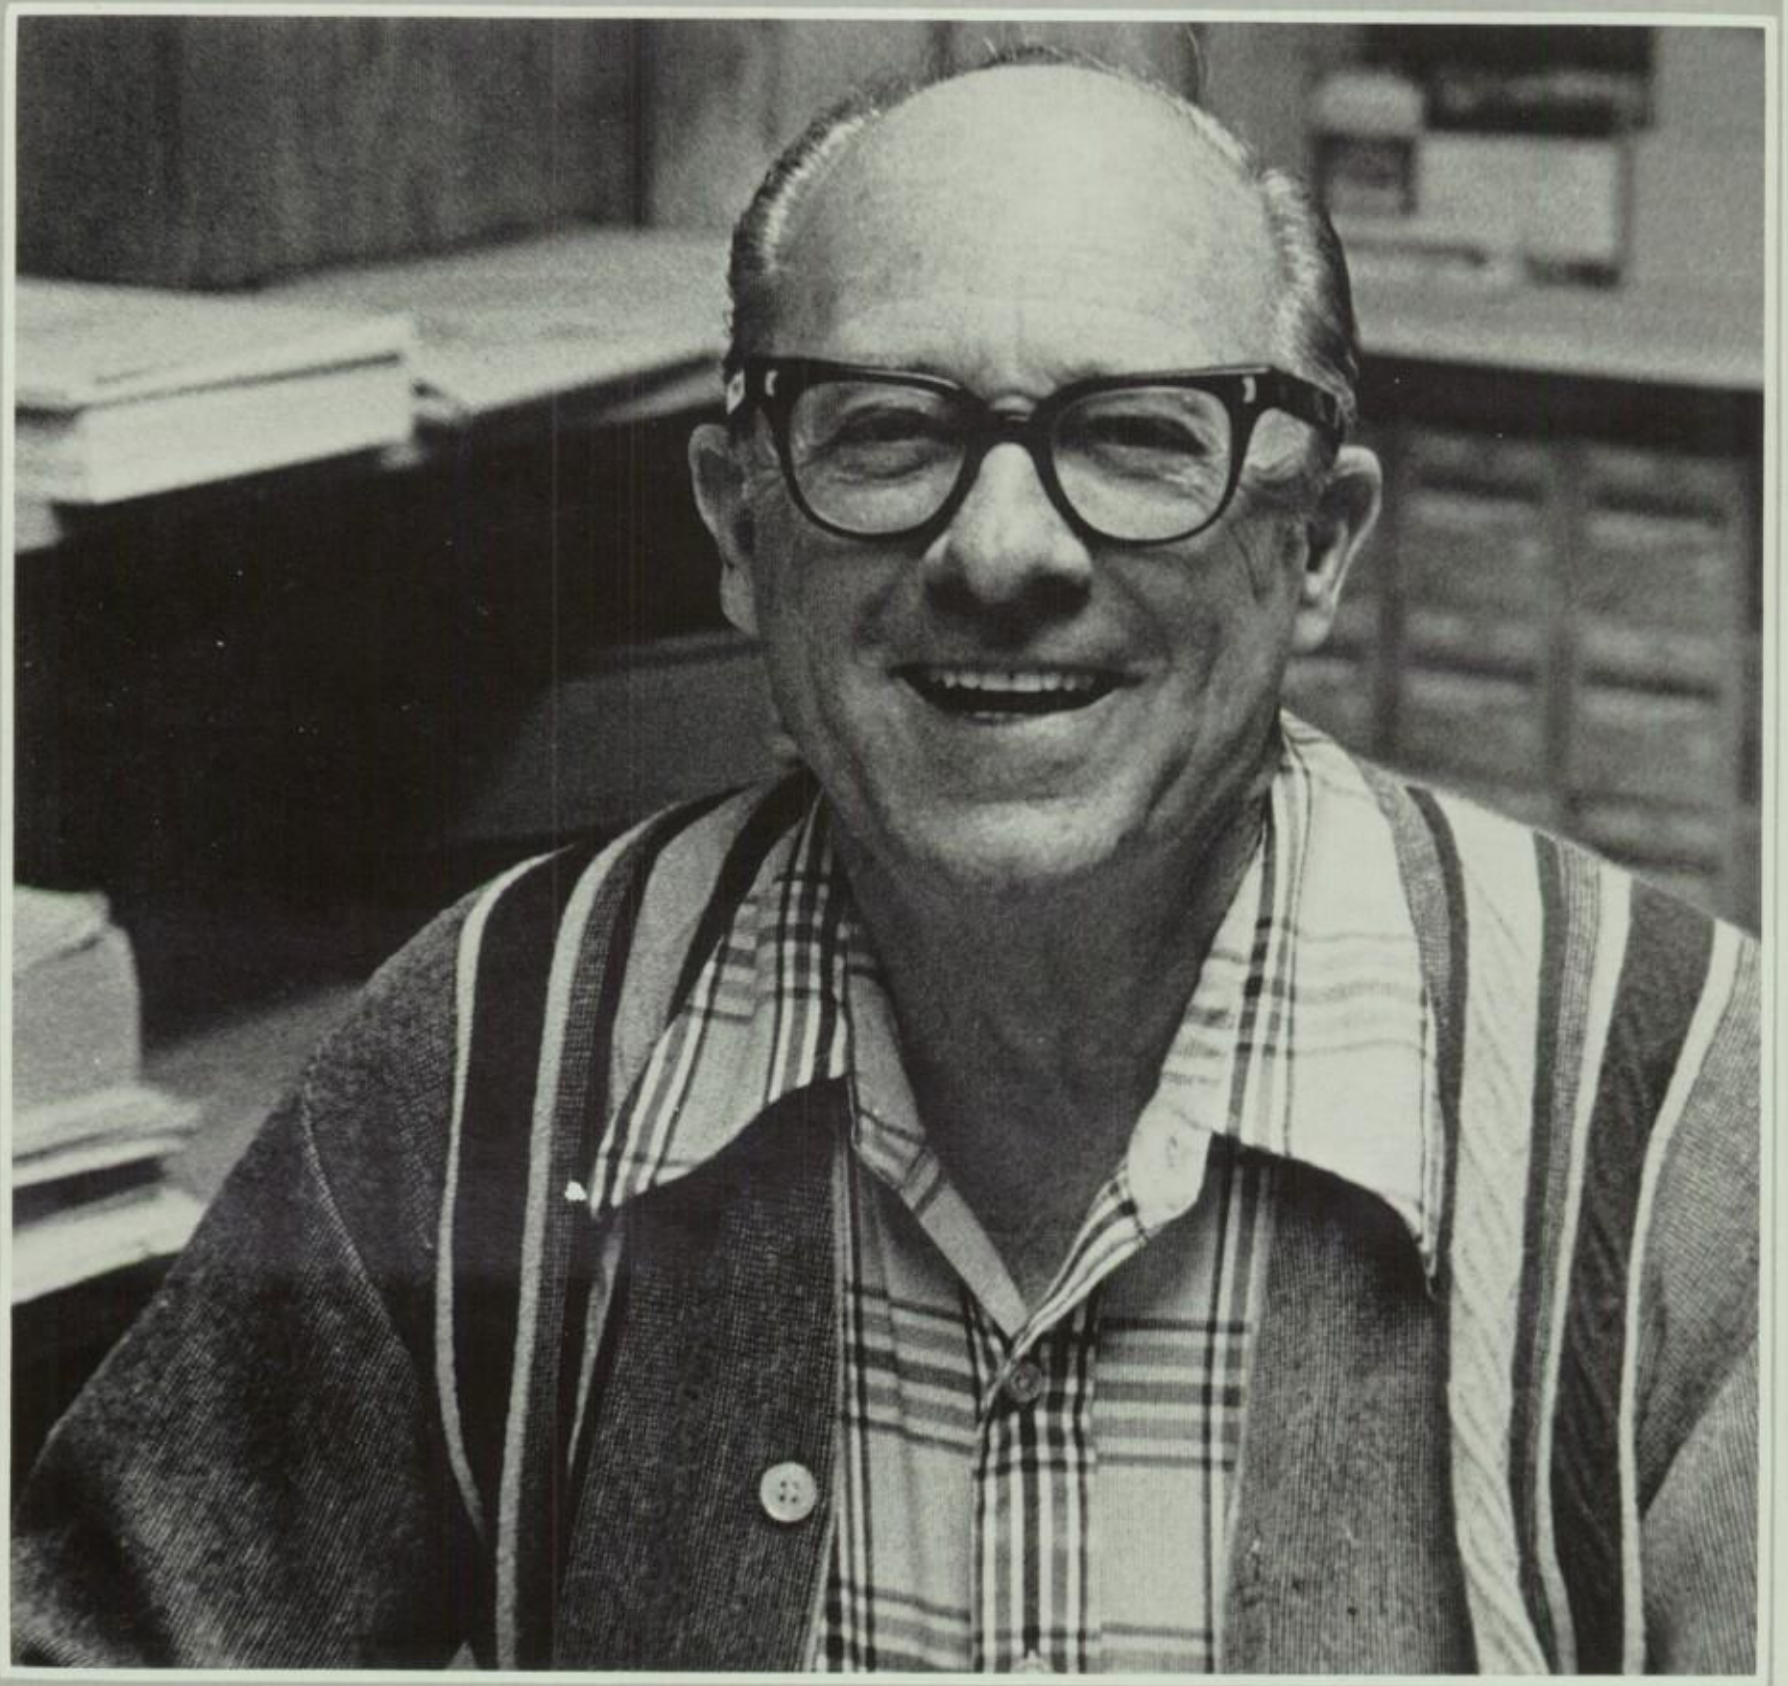
NCE

We Formed Everlasting Friendships

FRIENDSHIP-We longed to love and to be loved and to share a special relationship with someone. Many of us found friendships that will last for the remainder of our lives. People we laughed, cried, played and shared things with will always be true friends.



Dedication



On special occasions, the Talon staff considers a faculty member worthy of a dedication. That person not only must be a good teacher, one who is greatly involved in his work, but also must be a person of tremendous personal worth. He must be a friend and counselor to his students as well as an educator.

Mr. Edwin Hunt possesses these qualifications. No one, student or faculty member, will be likely to forget a man like Ed Hunt after he retires. He is a teacher who always mixed work with pleasure. His classes, therefore, were both informative and amusing. People will always remember his winning smile and his constant desire to help those in trouble. He always had time, while on campus, to talk, laugh, and share problems.

Mr. Hunt is retiring from the teaching profession. We want him to know that our thoughts and good wishes go with him and that he will always be remembered at Valley as one of the "greats".

Best of luck, Mr. Hunt. Enjoy your retirement. Don't forget us too soon. Finally, thanks for being such a good friend and such a tremendous teacher.

To Mr. Edwin Hunt, this book is dedicated.

Mr. Edwin Hunt

Educator And Friend

SENIORS

We Couldn't Wait 'Til Seventy-Eight

President- Avis Phillips

When the class of '78 came to Valley in 1974, they were led by President, Kimberly Stansell, Vice-president, Gina Campbell, Secretary-treasurer Nina Perez, Girls' Student Relations Carla Mack and Boys' Student Relations Joseph Edwards.

As sophomores, they elected President Judy Strong, Vice-president Kim Law, Secretary-treasurer Nina Perez, Girls' Student Relations Carla Mack and Boys' Student Relations Mike Aguilar. As sophomores they won the spirit stick at most of the pep assemblies.

Then came the junior year, a time to start planning for college. The class was under the leadership of President Avis Phillips, Vice-president Pat Begay, Secretary-treasurer Vicki Houghton, Girls' Student Relations Jamis Jones, and Boys' Student Relations Alex Chairez. The year was highlighted by a number of activities such as Rec-nites, dances, football games, basketball, etc. The biggest highlight of the year was the Junior-Senior Prom which was held at the Buena Park Convention Center Hotel in Buena Park.

In their senior year, the class again elected Avis Phillips as president, other officers were: Vice-president Dorothy Franklin, Secretary-treasurer Pam Peralta, Girls' Student Relations Alice Albarez and Boys' Student Relations Mark Ferguson.

As they leave Valley, the seniors will have many memories. Some of their friendships may fade away, but others will continue into lasting relationships. May they all be successful in their endeavors. The future is theirs.

Today's Juniors

Tomorrow's Seniors.

Class officers of 1979.

1. President: Alma Hernandez.
2. Vice-president: Rick Crandall.
3. Secretary-Treasurer: Yvette Winters.
4. Girl and Boy Student Relations: Georgia Allen, Lee Harris. Historian: Ruth Bernabe.

This year's Junior Class was led by President Alma Hernandez and her cabinet: Vice-president Rick Crandall, Secretary Yvette Winters, Boy-Girl Student Relations Lee Harris and Georgia Allen, and Historian Ruth Bernabe.

In addition to their academic endeavors, the mighty class of '79 participated in many activities and sports; and they were all around spirited. They showed their style by sponsoring the Junior-Senior prom which was held in Long Beach at the fabulous Queen Mary on May 28.

Juniors looked forward to a thrilling senior year.

The Sophomore Theme

Was Vitality

Top- left-right Kim Koutsoudis, David Severi, Ronald Reeves, Bottom-left-right Vitaliano Salara, Patricia Smelser, Sandra Durand

This year, the Class of '80 was led by President Patricia Smelser, Vice-president Sandra Durand, and Secretary-treasurer Vitaliano Salera. Kim Koutsoudis and Ronald Reeves worked with the students as Girl and Boy Student Relations Representatives. David Severi recorded the events of the year as Historian.

The sophomores sponsored such exciting activities as Rec-nights and the Christmas dance. To help sponsor these activities, they sold buttons and other items. They also worked hard to plan their class rings and get them ordered.

The Sophomore Class was full of life and had a very successful year. When the class of '80 returns as juniors, they will surely be spirited and full-of-life upperclassmen.

Class of 81

The Freshmen officers are from left to right: D. Begay, M. Ramirez, R. Furnace, T. Dooley, M. Barnes, J. Madison.

The class of '81 was a class of typical, uninitiated, young men and women when they first entered the portals of Valley High. They found the school, faculty, and upperclassmen intimidating. They found it hard to stand and cheer in competition. They generally learned what it was like to be the lowest class on campus.

They got together and elected class officers: President Maria Ramirez, Vice President Jackie Madison, Secretary-treasurer Michelle Barnes, Historian Rosalind Furnace, Girl Student Relations Tammy Dooley, and Boy Student Relations David Begay.

Now, the class of '81, is ready for the years ahead as upperclassmen.

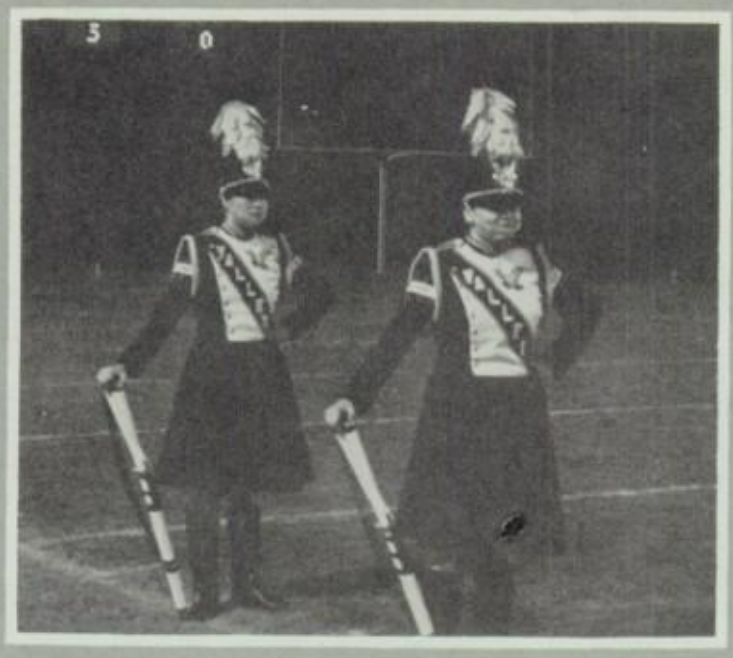
The Falcon Band Was



On The Move!

This year's band and drill team marched on to many victories, as they performed in various parades throughout the year. Included in this year's events, Valley's band visited Magic Mountain and Disneyland, where they performed their award winning music and routines. Among their outstanding achievements was their first place performance in the Artesia band review.

The band, drill team, color guards, and letterettes worked together to make it a superior year. Their pride and dedication went hand in hand with their spirit and talent.

Varsity raised spirit at pep assemblies.

1977-78 Varsity Cheerleaders

Memories of a fun filled year will be cherished by members of a small but spirited varsity squad. Some of the highlights of the year included Cindy Ebert singing "Your Mama Don't Dance" and Gina Campbell's goofy laugh that woke everyone up during morning practices.

Mandy Coulter, Debbie Camp, and Michi Gelzhiser, or as they were more commonly known, "The Three," were just inseparable.

"Little Donna" was always in a cheerful mood and shared her happiness with everyone.

They learned a lot about each other throughout the year, and together experienced the value of friendship. Little things will be remembered in future years: USA camp, superior ribbons, there "Excellence" trophy, Spirit Sticks, wastepaper baskets that were never sold, new pep squad jackets, the need for money ("Mom I need fifty dollars by tomorrow), the megaphones that never got finished, Ms. Riehle's talks, and, most of all, the feeling of friendship. . . WHAT MEMORIES!

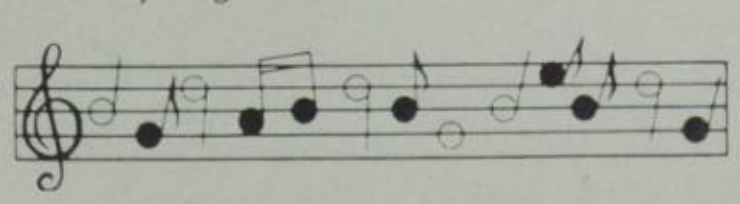
1977-78 Varsity Songleaders



This year's songleading squad had a lot of good memories. According to the songleaders, they'll always remember summer camp where they worked hard and brought home many superior ribbons. With determination and confidence they returned to Valley to start the new year.

The squad members were: Pam Peralta, Carla Mack, Anne Petherbridge, Laurie Wing, Sheila Tilley, Karen Scott, Denise Thompson, Alice Albarez, and Nina Perez.

Each member had her own special quality which added to the success of the squad. They'll never be able to relive their 77-78 songleading year, but the memories and special events that they shared together will never fade away- Laurie's yellow rollers, "Meal Ticket," Nina's ear to ear smile, "Turn the Beat Around" performance during football half-time, Style Leaders white skirts, rowdy times on the bus, munching on cinnamon rolls at morning practices, "Heaven on the Seventh Floor," medals given to them by the football team, being video-taped . . . Moments to remember . . .

Spirit week activities will always be a memory ...

Our traditional dress-up days included: 20's day (gangster day), 50's day, Hawaiian Day, Goodest Friends Day, and, of course, Blue and Gold Day. True spirit was shown by Falcons of all classes!

Many activities were held such as: the Marshmallow Stuff, Spirit Week Marriages, "Handsomest Man on Campus" elections and a car smash sponsored by Pep Squad.

The Senior Class tradition still goes on ...

How about a cruise down Spirit avenue?

Moments Of Homecoming

Homecoming Queen Nina Perez

Homecoming '77-78 was one of the most spirited Homecoming's ever! Aided by the traditional return of alumni, the Student Body rose to the occasion and participated in the Spirit Week activities. The week ended with the assembly, during which the Homecoming Court for '77-78 was introduced and Kangaroo Court provided humor.

The climax of the activities came that night as the Mighty Falcon Machine squeezed by the tough Estancia Eagles, 14-13, to remain undefeated. The half-time ceremonies were highlighted with the announcement of this year's King and Queen, Greg Dexter and Nina Perez.

The Homecoming Dance, which featured live music by "The Six Million Dollar Band", topped of the exciting, spirit-filled evening.

Assemblies Added Excitement To The Year

This year's assemblies highlighted the school year. They ranged from orientation and pep assemblies to the exciting 50's assembly, featuring Al Wilson. Assemblies were a time for classes to unite and to show their spirit. It was also a time to express new ideas, introduce athletes, and comment on school activities.

Activity Reigned At Rec-Nites

Rec-nites were great fund-raising projects for each of the classes, and many other campus organizations. For 50¢, students could go to the gym and spend a recreational evening playing volleyball, basketball, ping pong, or just sit back and listen to records. The Student Council provided the music and refreshments for each of the Rec-nites.

With new faces and a freshly-painted school, the faculty and administrative staff worked to insure that the 1977-78 school year would be a prosperous one.

Principal Ivan McKinney worked to improve Valley's campus and facilities and to instill a sense of school pride in the Student Body.

Mr. Remijo Alvarez, assistant principal of student services, continued his record of keeping students in the classrooms. He also aided many students with personal problems.

Mr. Ron Stoker, assistant principal of curriculum, was responsible for promoting better courses of study. He worked with the faculty to make sure that courses were adequate and interesting.

The faculty worked to make 1977-78 an exceptional year by giving maximum instruction to all students. New teachers, together with veteran teachers, helped make the year one of the most successful ever.

Falcons . . . Best Of The Century

The Falcons ... The 1977-78 Santa Ana Valley Falcons! We began in the year 1959 and have grown to be known as nothing less than the dominating "CHAMPS".

Under tremendous coaching, the Falcon Machine proved to all their opponents that VICTORY was their destiny. They were able to outsmart, outscore, outrun and outcoach all who dared stand in their way.

Their first victims, the highly respected Servite Friars, fell easily to the feet of the Falcon Machine. The student body, parents, teachers, cheerleaders, band, Drill Team and all others who attended the first game of the 1977-78 football season, could easily see that the "CENTURY LEAGUE CHAMPIONSHIP" was soon to belong to the VALLEY FALCONS.

The 1977-78 Offensive Line: 86 Mark Ferguson, 81 James Swift, 32 Mizell Hopper, 12 Andy Paige, 27 Robert Powell, 41 Allen Luifau, 22 Ed Hollins, 74 David Sii, 68 Greg Hulse, 53 Keene Aguilar, 64 Curtis Shipp, 70 Barry Wright.

FootballFootballFootballF

When it was time to hold the line against the Estancia Eagles, the defense held strong.

"Hey, you guys were supposed to go this way!"

The Falcons defensive force overpowered their opponents and held them to zero yards.

The Eagles pleaded, but the Falcons didn't answer their prayers.

The 1977-79 Defensive line: 23-Jay Hatchett, 22 Ed Hollins, 32 Mizell Hopper, 86 Mark Ferguson, 46 Willie Lambert, 81 James Swift, 87 Paul Franklin, 70 Barry Wright, 31 Larry Partin, 79 Michael Oatis and 41 Allen Luifau.

1. The Falcons call ''dog pile'' when a Santa Ana cross city rival is brought down under a pain suffering crunch.
2. The Falcons were full of displayed action every time they played a game.
4. The extra point conversion was up and goodbye #61-Mark Slaughter
3. No matter how early it was in the game, the Falcons were able to outscore their opponents, as the score board showed.
5. 100% team work brought Valley every one of our hard earned victories.

5

The season was now upon us. Our first league game was to be played against the Tustin Tillers. With outstanding Falcon performance, the Falcons downed the Tillers to mark another victory. El Modena was the next team to suffer under the Falcons' dominating crunch. El Modena, who was able to stop the Falcons in the 1976-77 season, was unable to match up with a championship '77-78 football team. Villa Park, the team that earned themselves the Southern Conference title, suffered an unwilling defeat to the one and only Valley Falcons. On their home field, the Spartans found no way of outscoring Valley's lightning offense.

Powell and Paige worked together to gain every yard needed for a first down.

As the 77-78 football season continued to move on, the Falcons looked more and more promising to everyone. The Falcons went up against another strong team, the Estancia Eagles. The Falcons had to work to their fullest ability but were still able to outclass the Eagles and were able to put one more point on the scoreboard to bring home another well-earned victory of 14-13. The Foothill Knights looked good but not good enough to earn enough needed points to end the Falcons' winning streak. The Falcons dominated the game and easily put the Knights to the ground. The Falcons kept right on flying high, and were able to peel the Orange Panthers.

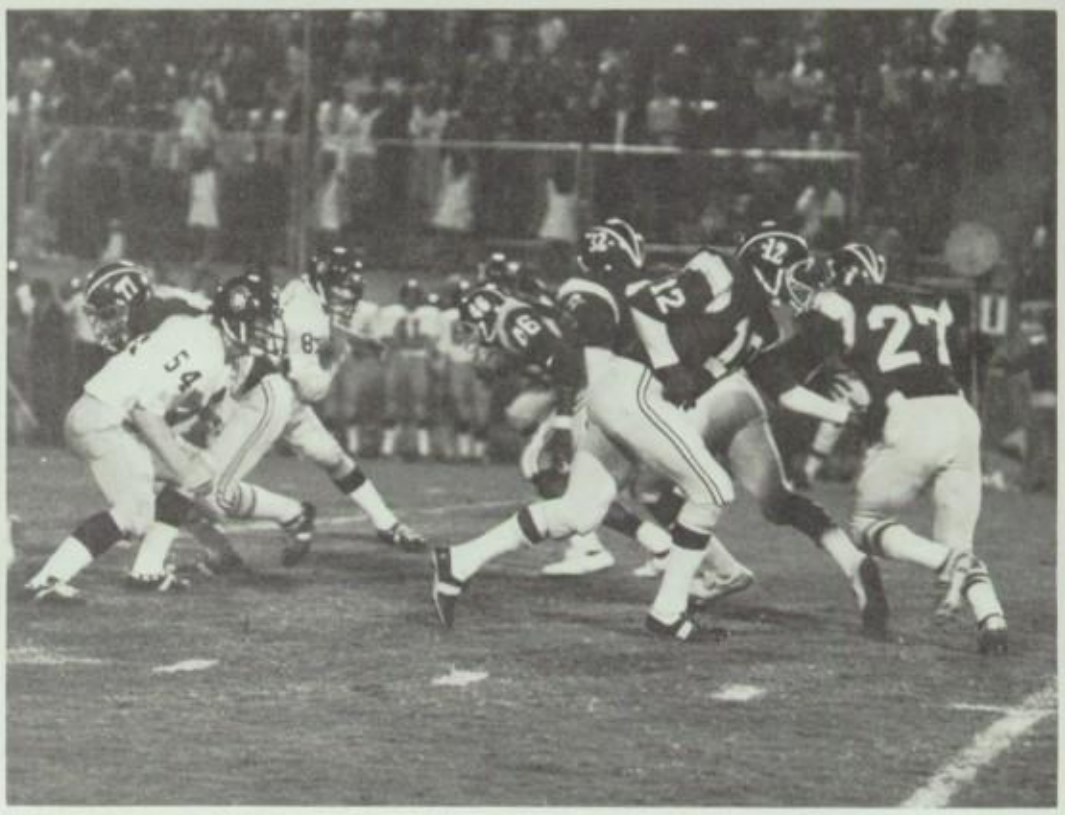
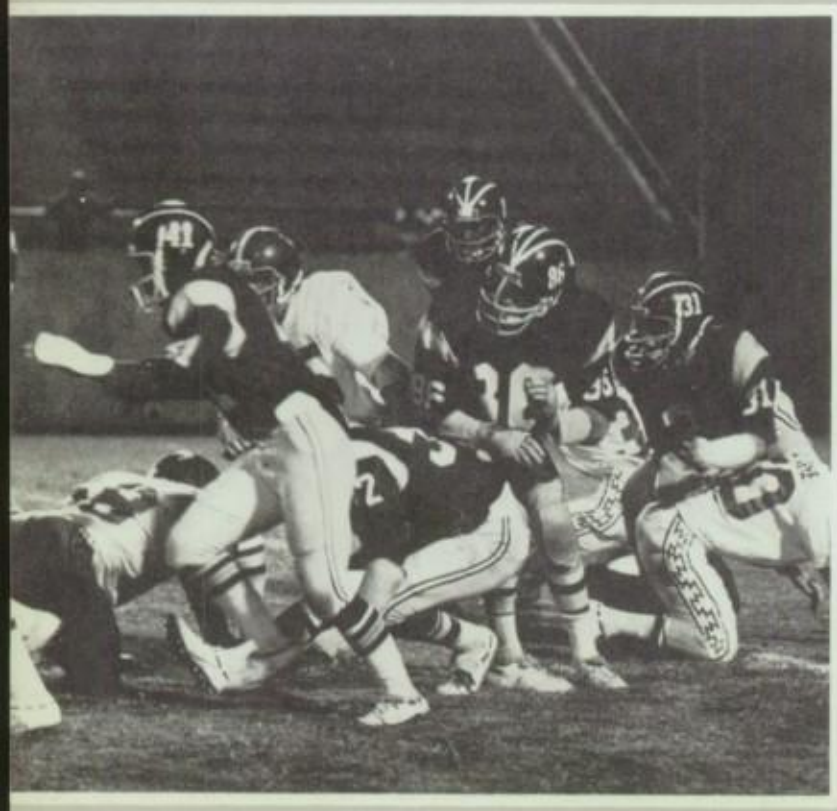
The Panthers suffered an unwilling defeat to the Falcons, and this marked the Falcons' eighth straight win. The last game of the season in the Century League was played against cross-city rivals the Santa Ana Saints. The Falcons were more than fired up for this game. They had prepared themselves both physically and mentally. The Saints, who had suffered a bad season, watched the Falcons put easily earned points on the scoreboard. Valley finished the season as the CENTURY LEAGUE CHAMPS and was on its way to C.I.F.

The Falcons then had to work harder and with more devotion at every practice. Their first C.I.F. game was to be played at the home field, now known as the Eddie West Field. At this game, Valley was



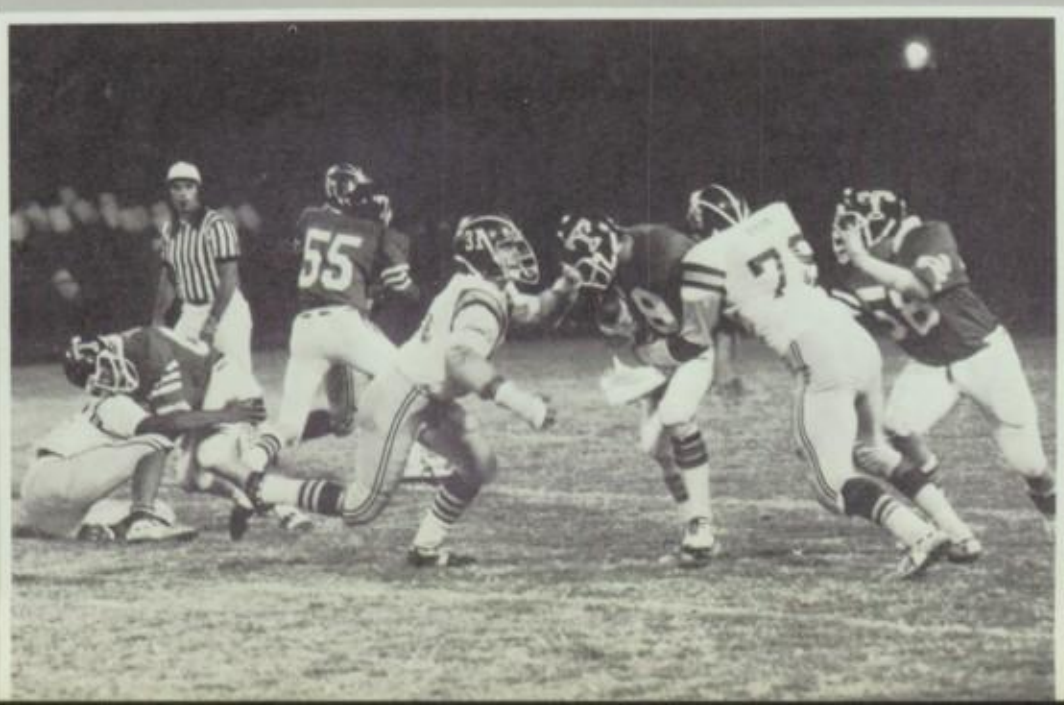


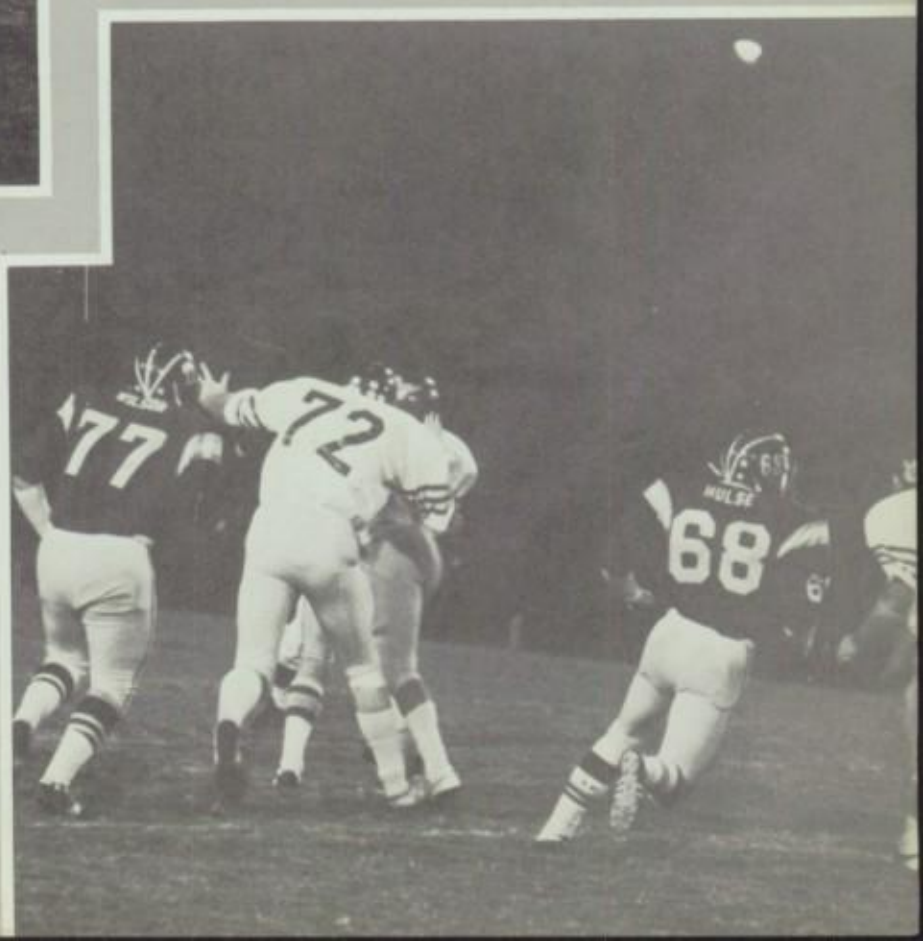
fortunate enough to be part of the dedication in honor of Eddie West. It was a time to remember for all who were present.

The La Quinta team and crowd watched the Falcons end their hopes of a second round C.I.F. game, as the Aztecs fell to the feet of Valley's mighty team. This victory was the first in C.I.F. In the second round Sunny Hills was the opponent.

Sunny Hills were able to outscore the Falcons. It was the only defeat of the season. This defeat meant it was time for the Falcons to end their '77 football season.

It was a long and victorious season. We were unable to continue in C.I.F., and we were unable to capture the Southern Conference title; but we were able to gain respect and knowledge from all the teams we played and from all who were fortunate enough to be part of the best team of the CENTURY. We are and always will be the CHAMPS!





The young but promising Sophomores displayed outstanding talent on the Falcons' home field.

"So close, yet so far away would be the perfect title for the girls' cross country season. We were in the running for the title right down to the league meet; but because of some injuries and off performances, the team finished 6th in the league meet.

"We are looking forward to next season because this year's box team finished 3rd in league in dual meets. Everyone is returning except Kim Law.

"Mabel Durand, Tina Carver and freshman Nadine Aguilar should be running among the league's best runners. They had a fine season. Janet Steen and Linda Lamere should also give added strength next season," contributed by Coach Eddie Steward.

Valley has been blessed with many superb athletes. Many of them don't receive the recognition they deserve. One such athlete is girls' track star, Kim Law.

Kim holds individual school records in the girl's 100 yard dash and the 440 yard dash. She also holds school records in the 440 relay, mile relay, 880 medley relay, 880 relay, and the mile relay.

Kim participated in the CIF finals at state meets in 1976 and 1977. In 1978 she took 6th place in the 440 yard dash and 5th place in 1977. This accomplishment is equivalent to the football team competing in the CIF Championship game.

Graduating Class

Valley's Talon staff thanks all the people who have so generously given of their time, talent, and money to make this book successful: Mr. John Thomas, Mr. Charlie Galvani, Mr. Ron Stoker, Mr. Ivan McKinney, and our loyal advertisers.

This year, 1977-78, was a most unusual year for the yearbook staff. It seemed as though everything got lost at the wrong time. Everyone always said to the next guy ". . . but I thought I told you to do it!"

Pictures were taken over and over again; mistakes were corrected, and then the corrections were corrected. It was just that kind of a year. But, as usual, these obstacles didn't stop the Talon staff and the main reason was our hard working advisor, Mrs. Elaine Stuckey.

Mrs. Stuckey was the key to the completion of the book. Had it not been for her concern and help, the Talon would have been a total "FLOP". Thank you, Mrs. Stuckey, for keeping our heads above the water.

The staff this year was basically made up of beginning yearbook students. Many times they got discouraged, but their dedication and perseverance prevailed.

The Senior Section was done by Karen Bryant, Dwayne Roberts, and Julie Castro. These three seniors really did a great job on "THE BEST CLASS" in Valley's history.

The Junior Section was done by Alice Albarez and Carla Mack. The Sophomores and Freshmen were done by Cheryl Crawford, Iris Groom, and Cathy Barber. It was a task doing these sections, especially the Freshmen Section, but the "clan" came through.

Mona "Hot-Lips" Barker did the Academics Section with a creative touch, and Georgia "Squiddy" Allen, and Sue Stacy did the Faculty Section with style.

The two lively chipmunks Mandy Coulter and Debbie Camp did the spirited Activities Section. Their Homecoming pages were the best ever, and I'm really going to miss the chipmunks.

The Organizations Section was done by Ruth "Fish-Lips" Bernabe and Jayni Allsep. Both will be returning next year, (Jayni as Editor-in-chief. Good Luck!!!!)

The Sports Section required everyone's attention. Michi Gelhizer was the head person in charge, and her assistants were Cindy "Oh Yeah!" Griffin, Monica Aguilar, and Keigh Lee Smith.

Brenda Russell was a life-saver. She did the Advertisements Section with the help from Jayni, Sue, and Theana. Donna Wager was my "GO-fer", and without her help we couldn't have completed the book. She did everything. Thanks, Donna.

Our Artist was Terry Cress, and the photography work was done by Jim Brokaw, Richard King, Renere Lopez and the "Dependables" Danny Carmona, Ricky Tompkins, and Richard Morris. Special thanks go to Mr. John Thomas for his patience and understanding and to you the Student Body for making this a memorable and enjoyable year.
